

Sono Kaida

Though heartbroken by her older sister's death a year before the story starts, Kaida's positive, optimistic outlook actually strengthened in the aftermath, leaving her as someone who has learned to appreciate the small things of life. She's extroverted and social, preferring to wear her heart on her sleeve rather than retreat inward.

As a member of her school's choir, her beautiful, clear singing voice also promises her the position of center in several of their future performances.

Appearance:

Physically, Kaida looks like a typical cute middle school girl. She wears her long, light brown hair in a pair of twintails, securing them with black hair ties, and her golden yellow eyes stand out against her pale complexion.

Her middle school uniform features a white collared shirt underneath a maroon jacket and tie and a mid-thigh-length black skirt.

Trivia:

- Character appearance references: This¹ recolored image of Kamiya Nao (the iDOLM@STER), but with slightly shorter hair.
